ADDITIONAL INFORMATION / NOTES

I understand that I should be evaluated by a physician for the condition for which I am requesting consultation. I understand that treatments through The Susquehanna Acupuncture & Healing Arts Center are based upon Traditional Chinese Medical treatments, including Chinese herbal therapy, and that a Traditional Chinese Medical diagnosis does not necessarily replace a Western Medical diagnosis. I am responsible for my own health, which includes seeking out health care options that are appropriate for the condition for which I am seeking treatment. If no substantial improvement is made in the condition for which I am seeking consultation, I am to seek advice from a Western medical doctor.

Finally, I know that I am free to incorporate the advice of a Western medical doctor into my healthcare regimen, and if I do so, is my responsibility to advise my physician of any herbal supplements I am concurrently taking.
